## Branding Purposes

### What are brand standards?

Brand Standard helps strengthen our team name through public display. By doing this our team and logo looks professional in both the community and in competitions

## Font Usage

TRAJAN PRO is the font used in the gear.  
Xirod is the font used in 4522.

## Team name meaning

**S** - Smith

**C** - Cotton

**R** - Robotics

**E** - Engineering

**A** - And

**M** - Mathematics

## Background Usage

A white background is acceptable with our logo.

It's acceptable to use #d2ae07 or a gold color background.

It's acceptable to use #1a1b6 or a different tone of black for the background, with a yellow outline of the gear, the same color of the letters that is listed on page.
