Sedalia School District #200

Professional Development Manual

2021-2022

Mission:

Provide a challenging education in a safe environment for all students so they will become productive, responsible, and successful members of our diverse society.

Our ongoing commitment to maximize learning and achievement for all students is accomplished by providing high-quality staff members and exemplary educational experiences for our students.

Whittier	Jennie Guerrini	1	Principal
District	Gilmore/Brownfield	1	Superintendent
Tech Reps	Madeline Kempton Ashley Raetz Courtney Davis	3	Asst. Superintendent

Mission of Professional Learning

Today's educators are held accountable for preparing all students to successfully meet more rigorous standards and performance outcomes and to insure that students are college and career ready by graduation. Professional learning is the Global Positioning System (GPS) that will enable schools and school systems to reach that final destination—high levels of learning for all students.

Professional learning for educators is the crucial element in the equation for success. If the destination is to reach higher levels of learning for all students, then professional learning for the adults in the school system must be part of the school culture. Learning for educators leads to learning for all students. The two are irrevocably connected. To arrive at this destination, professional learning must be based on research-based practices and implementation must be consistently supported. The mission of professional development is to position educators for success by strengthening each educator's professional practice to ensure high levels of performance for all students.

Jenni Donohoo, past president of Learning Forward Ontario (2017) states: "Collective teacher efficacy (CTE) refers to a staff's shared belief that through their collective action, they can positively influence student outcomes, including those who are disengaged and/or disadvantaged. Educators with high efficacy show greater effort and persistence, a willingness to try new teaching approaches, set more challenging goals, and attend more closely to the needs of students who require extra assistance. In addition, when collective efficacy is present, staffs are better equipped to foster positive behavior in students and in raising students' expectations of themselves by convincing them that they can do well in school."

The leverage point with the greatest potential to strengthen and improve educators' daily professional performance is a culture focused on continuous, effective professional learning based on the performance needs of educators. Decisions at the district and building level regarding professional learning should be based on district and building performance data on both students and educators. Successful classroom implementation will depend on a sustained culture of shared responsibility for the learning of all students coupled with continuous support.

The impact of effective professional learning largely depends on a school system's ability to nurture a culture of collaborative learning focused on a system-wide plan and tied to specific learning goals aligned with classroom, school building and district needs. Professional educators must continually reflect on their practices and develop and articulate their beliefs about teaching and learning while improving classroom practices. But, for this learning to be effective and sustained over time, it cannot be done in isolation. Collaborative learning requires:

Missouri Professional Learning Guidelines for Student Success time and opportunities for observing teaching and learning; practicing new ways of teaching; looking at student work;studying student data; learning new skills; sharing in and out of the classroom Research has shown that 49+ hours of professional learning over a six-to 12-month period is needed to move initial learning to consistent application and performance gains for students. (Yoon, Duncan, Lee, Scarloss & Shapely, 2007).

To develop an effective, system-wide professional development program, teachers, administrators, and school board members must work as a team. Everyone must be totally committed to the improvement of instruction to help students perform at higher levels.

Collaboration will promote conversation about the best available research utilized in teaching, learning, and leadership. Accessing resources from the local community, higher education and the state will enhance the improvement process. Effective systemic reform supported by a collaborative community of learners will ensure that all students meet rigorous standards and performance outcomes and are college and career ready at graduation

To align local professional development efforts with state guidelines, consider the following critical questions:

- Does the professional development plan directly relate to the district Comprehensive School Improvement Plan (CSIP) and the Missouri School Improvement Program (MSIP) professional development standards?
- Is each professional development activity consistent with the vision and the goals of the district's professional development program?
- Does each professional learning experience address the participant(s) identified learning need(s)? (tied to educator evaluation data and student achievement data)
- Does each professional learning experience lead to improvement in the teaching practice?
- Does each professional learning experience lead to improved student performance?

Reference: Missouri Professional Learning Guidelines

Professional Development Management

Sedalia School District #200 uses the web-based program *Frontline* to keep records, registration, and enrollment processes in a central location. In Frontline you must select the Purpose (salary movement) for requested activities.

The choices you will see are:

- 1. Certification Credit (Contract hours)
- 2. Stipend (Non-contract hours only)
- 3. Salary Movement (Non-contract hours ONLY NO Stipend)

Examples of when NOT to use Purpose #3: Salary movement credit (non-contract hours)

College credit earned hours

Faculty meetings that are for informational purposes Curriculum Meetings for dissemination of materials Parent/teacher conferences

IEP meetings

Summer school meetings

End of year celebrations

Family fun nights

Meetings that are connected with extra duty you are already being paid for

Committee meetings (example: SPW or SCEA) Early outs are contract time

Beginning Teacher Assistance Program Conference

Expenditures for which "One Percent" PD Funds May Not Be Used (Per DESE):

1. Individual membership dues to associations or organizations.

2. Travel, food, lodging and registration fees to conferences and workshops of general interest which do not support Individual Professional Growth Plans, building/and or district professional development plan and Comprehensive School Improvement Plan.

3. Travel, food, lodging and registration fees to conferences, workshops, clinics, etc. that pertain to extracurricular activities and sponsorships. (sports, glee club, cheerleading, etc.) This does not exclude health education.

4. Instructional equipment or materials or administrative equipment or materials.

5. Salaries. Professional development funds may not be used to pay any part of any salary. Also professional development funds may not be used to pay for any student-related activities such as extracurricular activities, sponsorships, summer school or evening school activities.

6. Travel as a form of professional development. (As traveling to Spain to become more informed about the country in order to teach Spanish.)

7. Any expenditure of funds for any state or federal program for which monies are already available for professional development. (Example: professional development funds cannot be used to pay the expenses for a Title I activity; however, professional development funds could be used to pay the expenses of a Title I teacher to attend a technology conference planned for the benefit of all teachers.)

It is the employee's responsibility to obtain approval for the leave by completing the Frontline PD request form before the time of leave and submitting it for approval. You will receive notification of approval/denial prior to the activity.

If the request is part of the building plan, then the building administrator will give approval. It is the building's responsibility to request a substitute if one is needed. Once the building administrator has approved the request, it is forwarded to Central Office where it will be approved/denied/or requests for more information may be made.

Upon return, the employee must go to Frontline and click on "Mark Complete" to finalize the activity that was attended in order to gain final approval for hours to be awarded and show up in the Portfolio.

The "Travel Reimbursement Form" must be filled out in order to receive reimbursement for meals, travel, etc. and itemized hard copy receipts attached and submitted to principals for their signature and for expense coding. This form will then be sent to Central Office for payment.

Please do not put alcohol on your meal receipt. Should you choose to have a drink please pay cash or put it on a separate receipt. Receipts with alcohol on them will not be reimbursed. Charge Card/Cash receipts that are not itemized will not be reimbursed.

Reimbursement for meals: You will be reimbursed up to \$40.00 per day. Tips are included in the \$40.00 allowance.

For travel use, the mileage is found on the mileage chart on the Sedalia #200 website. If the city you are traveling to is not on the chart, use the mileage from your vehicle for travel straight to and from the event site.

From Accounts Payable: Any expenses not turned in within 42 days after the expenses were incurred will be handled through payroll and appropriate taxes will be deducted.

If the form is completed with all necessary information and receipts are attached, the principal will code and sign it and send to Central Office.

If the form is received at Central Office prior to the 5th of the month, then the reimbursement checks will be available after the board meeting, which is the fourth Monday of the month.

Forms that need to be returned for any reason will cause a delay in processing and reimbursement may not be made until the following month.

Upon return from out-of-district professional development: Staff member will submit the completion form in Frontline as well as debriefing form indicating how the professional development will improve instruction and how he/she plans to share the information internally with additional staff members.

One-Way Mileage x 2 x \$0.54 = Total Round Trip Cost

Strategic Planning

Strategic planning is an ongoing process which involves areas such as Curriculum, Assessment, Performance Improvement, Facilities, Budgeting, Technology Planning, and Community Partnerships. These endeavors have included community members, staff, students, parents, and outside consultants working with our district.

Strategic planning is an effective process to focus resources on those areas believed to be important to the Sedalia community. The fundamental purpose is to provide worthwhile educational opportunities for students. Strategic planning provides the framework within which ideas for improving the school district may be evaluated in a fair and equitable manner and annually reviewed by the Board of Education. Strategic planning also provides the road map toward fulfilling the mission of the Sedalia School District #200.

Beliefs

The Belief Statement is a succinct, formal expressional of the school district's fundamental values and what it aspires to be, the Belief Statement is the ultimate "why" behind every action. Belief statements are not arranged in order of importance.

We believe public education is the best assurance for the preservation and enrichment of our society. Curriculum and instruction must be rich and differentiated so that "achievable" goals will be offered to every child. Every child has the right to conscientious, professional educators who actively participate in guided professional development. All district personnel should act as positive role models and representatives of strength, stability, and the significance of learning in the community. The district is concerned with the intellectual growth, social development, physical well-being, and emotional stability of all its students. The district shares the responsibility with the home and community in developing positive character and ethical behavior for all learners. Members of an effective school community work together in an atmosphere of mutual respect, which promotes a safe environment for learning.

District Three-Year Goals

Viable Curriculum (CSIP 3.1)

1. Continue to evaluate and improve curriculum annually

2. Develop additional curriculum components, i.e. Tier 2/3 vocabulary, differentiated instruction guides, and standardized lessons and resources Develop Common Formative Assessments (CSIP 3.1, 4.1)

1. Guide Planning, Instruction, Remediation

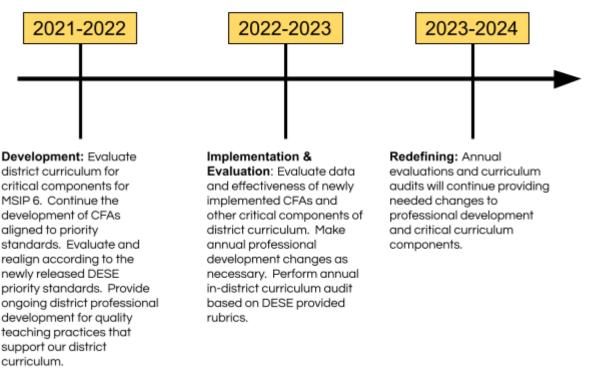

2. Collaborative Teaming and Data Decision Making

3. Provide feedback on student performance

Developing Assessment Capable Learners (CSIP 3.1, 4.1)

- 1. Where am I going?
- 2. Where am I now?
- 3. How do I get there?

Ongoing: Strategic planning and evaluation of professional development needs for continued improvement

Professional development goals and planning are determined by, but not limited to, the following:

Previous survey data through Missouri Model Districts/DESE (See Appendix), Quarterly district admin/coaches meeting, strategic planning, NEE observation data, PDC building representatives/admin June 2021 (6-12 Certified Staff)

• Social Studies Curriculum work

August 17-23, 2021 (New Staff Training)

- K-5 PLTW training
- K-5 Small group PD in buildings with admin and instructional coaches
- K-12 Technology and Curriculum PD

August 24, 2021

- K-5 Work Day
- 6-12 Kagan Cooperative Learning training

August 25,2021

- K-5 Building Staff Meeting in AM; K-5 Work Day in PM
- 6-12 Kagan Cooperative Learning training

August 26, 2021

- K-5 Kagan Cooperative Learning training
- 6-12 Building Staff Meeting in AM; 6-12 Work Day in PM

August 27, 2021

- K-5 Kagan Cooperative Learning training
- 6-12 Canvas PD in AM; 6-12 Work Day in PM

August 30, 2021

- K-5 Building PD and Department Collaboration/Work Day
- 6-12 Blended Learning PD/Department Collaboration

August 31, 2020 (Work Day)

September 17, 2021 (Work Day)

January 3-4, 2021 (Work Day/PD Day/Collaboration)

• TBD based on district needs Fall 2021

February 16, 2021 (PD day)

• TBD based on district needs Fall 2021

**Additional individualized professional development will also take place through the virtual learning platform as well as collaborative meetings with instructional coaches, administrators, and department chairs.

Internal Analysis

This analysis takes stock of what is currently taking place within the school district. It identifies areas of strength and improvements. Improvement issues are the natural outgrowth of studying where the district is today and what it wants to become in the future.

Documents, which were reviewed in preparation for the internal analysis of the school district, include:

District Assessment Data: Annual Performance Report Attendance and Graduation Rate Curriculum Plan Economic Development Data Facilities study Technology plan NEE Evaluation Tool Sedalia Connections Newsletter MERIC Database

Strengths

Education

- □ Keeping Sedalia 200's mission in the forefront of planning
- □ Fully accredited
- □ Pettis County Cooperative for Early Childhood
- □ Collaborative school board
- Aligned curriculum to current state standards
- Data-driven professional development
- Summer programs (enrichment at elementary and secondary, Reading Camp at elementary, Summer school at high school)
- □ Strong involvement and a wide variety of successful extra-curricular and co-curricular activities that address all student interests
- Successful Title I schoolwide program PreK-4; (PreK has been expanded, which has doubled the student population being served)
- □ Newly structured ELL Program for grades 1-5 (2020)
- □ Whittier Alternative School
- □ Universal breakfast (PreK-5)
- University partnerships
- Increased technology throughout the district by adding wireless capabilities and educational technology staff for training and support
- □ Free developmental screenings for preschoolers
- Meeting the needs of diverse learners through a cohesive special education program PreK-12

- Additional AP and dual credit courses offered in conjunction with State Fair Community College and University of Central Missouri
- Gifted program (REACH) for grades 3-12
- □ PLTW and Launch programs for STEM: Districtwide STEAM
- Grow Your Own student program (started 2017-2018)
- Administrative Grow Your Own program (2016-2017)
- □ Connecting the Prairie to the Ivy (students will visit Ivy League schools)
- □ Closely monitored financial resources to further enhance the educational process
- □ Expanded mental health resources
- □ Partnership with DESE (MMD)
- □ Science Dimensions program (K-8)
- Dependence Phonics First (Orton-Gillingham based program) in K-5 buildings

<u>Staff</u>

- □ Caring staff willing to improve to meet student needs
- □ High expectations for all students
- □ Highly qualified staff and administrators
- □ Instructional coaches: one at each K-5 building
- Department Chairs for core areas 6-12
- □ Instructional technology facilitators- K-12
- Behavior Interventionist Specialist
- □ Locally competitive salaries for certified staff
- □ First-year mentoring program provided by a retired certified teacher grades 6-12
- Our district nurse coordinator attends state mental health meetings
- Superintendent is a member of Missouri Association of School Administrators (MASA) and Missouri School Board Association (MSBA)
- Assistant Superintendents are members of MSBA, MASA, and Missouri Association of School Business Officials (MOASBO)
- Classroom K-1, title and special education teachers Orton-Gillingham trained in grades K-4
- □ Kagan-trained teachers grades Pre-K-12
- Social workers are home/school liaison in every building
- □ SOS-trained staff grades 5-12
- □ Mental Health First Aid-trained teachers grades 6-12

Community and Parent Involvement

- Business/industry partnerships in all schools
- Active alumni groups: Sedalia School District Foundation
- Gateway to Change program
- □ Service Learning programs (schools working to impact community)
- Production of Tiger Times (student-written newspaper)
- Jobs for America's Graduates Program / Sedalia FIT
- □ K-4 community mentoring program

Internal Analysis continued....

- Production of Tiger Pride magazine produced annually by the district communications director
- □ Rookie Reporter Tiger TImes students interviews on school topics are submitted and published in the local daily newspaper
- □ Active PTAs
- Improving communications with parents, students, staff, and community with the addition of our district communications director, who is in charge of the district's social media's pages such as Facebook, Twitter, and Instagram
- Implementation of Blackboard Mass Notifications, SISK12 Parent Portal, and the Sedalia School District app
- □ Effective working relationships with county and city government
- □ Student-run Community Cafe, providing free meals for residents in need
- □ Staff contributions to community: United Way and volunteer hours in community
- □ HOSA club (students exploring health occupations with field trips and speakers after school
- □ Online SISK12 enrollment (2018)
- Mentor programs
- "Day Trippin" (2018) occasional videos with superintendent interacting with students and staff discussing education initiatives (on district's YouTube channel and Facebook page)

Facility Improvements

- Pettis County Early Childhood Center construction began for the new Loftus Early Childhood Center at the SCHS Campus (2019-Present)
- □ Smith-Cotton Junior High restructure of guidance office 2019
- Community partnerships with the City of Sedalia for the Heckart Community Center pool (2019-Present)
- □ Ricoh Print Shop moved to SMS outer building allowing Heber Hunt to move SpEd classroom back into the main building. (2020-2021)

<u>Safety</u>

- One District Student Resource Officer (SRO) and one armed security officer in each building
- □ Integrated OpenEye surveillance camera software in all buildings with magnetic door lock buzz-in system for monitored entrance in each building
- □ Keycards/fob access in every building
- □ Cable lock security system in each classroom to serve as a backup locking system for interior doors

Challenges

Education

- □ Continuous long-range planning
- □ Revise and implement curriculum to improve instruction and student performance
- □ Meeting the needs of our diverse community of learners
- □ Student/teacher ratios
- □ Increased severity of behavioral issues and staff support (Pre-K through grade 4)
- □ Mental Health
- COVID related changes such as additional virtual students, extensive student absences, loss of learning from 2020 shutdown

<u>Staff</u>

- □ Maintain competitive staff salaries
- □ Lack of qualified district substitutes
- □ High stress level and teacher turnover rate
- □ Teacher shortages

Community and Parent Involvement

- Overall parental involvement in child's educational welfare
- □ Visibility of community support in educational and extracurricular activities

Facility Improvements

- □ Capital improvement
- Growing student population

External Analysis

City Census Population and Family Structure

Positives

- Business growth is creating new jobs while attracting families that are both traditional and non-tradition in structure
- □ Latest census information in 2017 for Sedalia: Population 21,387

Challenges

- Missouri schools were closed for last quarter of 2019-2020. The district provided crisis pandemic teaching for the remainder of the year. Achievement gaps and summer regression will be expected for 2020-2021 and adjustments made to curriculum.
- □ Significant state budget cuts for 2020-2021 due to COVID-19
- Managing the increase in education cost in relation to population growth while meeting the needs of our diverse population
- □ Total student population is 4,930 (May 2020)
- □ Virtual enrollment is 16 (July 2020)
- □ According to MERIC Economic Database, the estimated per capita income for Pettis County (2018) \$37,763 compared to the state average of \$47,746.

<u>Goals</u>

- Additional revenue to cover the rising cost of providing quality education
- Continue to develop and explore business and community partnerships
- Increase classroom inclusion for EL level 3 and 4 students while providing EL coaching to classroom teachers for all EL leveled students
- Provide resource information to families for community support programs available through the social workers
- □ Increase mental health awareness and district programs to support students
- Align current curriculum for Alternative Methods of Instruction (extended time) and virtual learning

Technology Positives

Ease of access via personal mobile devices and internet-connected smartphones, internet-enabled TVs, and gaming devices

Technology Challenges

Constant upgrading of technological infrastructure and having to build new professional development programs to maintain faculty knowledge. Rapid evolutions and shifts in the technological landscape proving increasingly challenging to determine what works best and is most efficient. Monitoring appropriate use of devices at school is a security concern.

External Analysis continued....

Due to the current poverty level, not all students have accessibility while outside school. Cost to maintain up-to-date infrastructure and bandwidth to provide access.

<u>Goals</u>

- Provide training/classes and information to students and their families about the importance of their digital footprint in relation to social media, beginning at the middle school. Allow use of libraries for students on a regular basis to have accessibility to technology not available at home
- □ Implement Follett Resource Manager for technology inventory
- □ Determine devices needed for all K-12 students to take home along with hotspots when Alternative Methods of Instruction (extended) is implemented

Economic Climate

Positives

- Well-established industries and business provide a stable base to actively recruit new businesses
- □ Economic Development of Sedalia predicts over 1,000 new jobs over the next five years due to announced and soon-to-be announced projects

Challenges

- 65% of the student population are eligible for free or reduced lunch
- Limited housing and community amenities result in new families of industry settling in surrounding cities
- □ Unemployment in Missouri spiked to 10.1 in May 2020 due to COVID-19
- Higher demand than supply for daycare

<u>Goals</u>

- Decrease student-to-teacher ratios
- Promote programs already in place both school-side and within the community--Dental and Vision help, Buddy Backpack, CACTUS, Coat lady, Lions Club, churches adopting families, Salvation Army, United Way, Boys and Girls Club, Rotary and Open Door

Community Patterns

Positives

Increased community involvement-Sedalia School District Foundation; Chamber of Commerce; Pettis County Community Partnership (PCCP); business partnerships; downtown development (DREAM); growth of SFCC by partnership with University of Central Missouri; developing interagency relationships

Challenges

□ Increase in poverty levels and concerns about crime within the community. Conflict resolution skills for community members; some sort of sponsored education open to all regarding how to peacefully resolve conflict situations.

Professional Development Plan Pettis County Early Childhood Cooperative

Goal #1: 95% of the students who are given the <u>Brigance Early Childhood Screen</u> will show growth from the pretest to the post test.

The <u>Brigance Early Childhood Screen</u> will be administered to students in the fall as a pretest to establish baseline data.

Teachers will analyze the results of the pretest and design and implement lessons according to each student's cognitive and physical abilities. Weekly team meetings will be held with staff including related service providers (speech/language pathologist, occupational therapist, and physical therapist) to discuss student progress and develop lessons for the following week.

Specific trainings to help staff implement instructional strategies/techniques will be conducted throughout the year including but not limited to small group training rotations during monthly ALL TEAM meetings.

The <u>Brigance Early Childhood Screen</u> will be administered to students in the spring as a post test. The results will be analyzed and compared to the results from the pretest to determine growth.

Goal #2: 95% of the students who receive a progress report card will show growth in all seven areas.

Teachers will review the progress report card and share it with the parents during conferences. Weekly team meetings will be held with staff including related service providers (speech/language pathologist, occupational therapist, and physical therapist) to discuss student progress and develop lessons for the following week.

Specific trainings to help staff implement instructional strategies/techniques will be conducted throughout the year including but not limited to small group training rotations during monthly ALL TEAM meetings.

Goal #3: 95% of the students who have an IEP (Individualized Educational Plan) will show growth on their IEP goals.

Teachers will develop and review each student's IEP goals and design lessons according to these goals. Weekly team meetings will be held with staff including related service providers (speech/language pathologist, occupational therapist, and physical therapist) to discuss student progress and develop lessons for the following week.

Specific trainings to help staff implement instructional strategies/techniques will be conducted throughout the year including but not limited to small group training rotations during monthly ALL TEAM meetings.

Goal #4: Parent/teacher conferences will be conducted with a minimum of 95% parent participation.

Teachers will conduct home visits before the school year begins in order to develop a positive rapport with parents. In addition, staff will make monthly contacts either in person or by phone and will hold two evening team/family activity nights during the school year. Teachers will also invite parents to the three parent/teacher conferences. If the parents do not attend, the teachers will follow-up with a home visit or a phone call in order to achieve 95% parent participation.

Heber Hunt Elementary

Goal #1: Heber Hunt Elementary will improve building MAP scores. The percentages will increase by 3% in the top two levels and decrease by 3% in the bottom two levels for each subject tested.

- Analyze assessment data: MAP, AIMSWEB, common assessments, formative assessments.
- Data-based decision-making
- Departmental and grade-level collaboration

Goal #2: A minimum of 80% of Heber Hunt students will be reading on grade level or

above. according to a leveled reading assessment.

- Well-articulated, aligned curriculum.
- Identified priority standards in ELA.
- Quality teaching practices are implemented school-wide with a focus on assessment-capable learners.
- Response to Intervention (RTI) is provided to all students as a second layer of reading intervention. Second layer interventions: comprehension, fluency, phonemic awareness, phonological awareness
- Guided Reading Implementation

Goal #3: A minimum of 80% of Heber Hunt students will be proficient in fact fluency.based off of a numbers sense assessment or AIMSWeb.

- Professional Development for Teachers on Strategy Work
- Strategy Work during Rocket Math
- Response to Intervention is provided to students during a daily intervention block
- Math Fluency games are implemented with fidelity
- Calendar Math is taught daily

Horace Mann Elementary

Goal #1: Horace Mann Elementary will improve building MAP scores. The percentages will increase by 3% in the top two levels and decrease by 3% in the bottom two levels for each subject tested.

- □ Analyze assessment data: MAP, AIMSWEB, unit assessments, & DRC
- □ Use MAP Item Analysis to determine areas of strength and growth
- Administer the unit assessments to prepare 3rd &4th grade students for the format and types of questions they will encounter on the MAP test
- Data based decision making to drive instruction
- Departmental and grade level collaboration/team meetings

Goal #2:

A minimum of 80% of Horace Mann students will be reading on grade level or above.

- Well articulated aligned curriculum
- Identified priority standards in ELA
- Quality teaching practices are implemented school-wide with a focus on assessment capable learners
- Response to Intervention (RTI) is provided to all students as a second layer of reading intervention. Second layer interventions: comprehension, fluency, phonemic awareness, phonological awareness
- Grade level data team meetings to analyze rates of improvement in student reading scores including AIMSweb, running records, and formative assessments
- After school tutoring
- □ Students reading below level are progress monitored every two weeks
- Orton Gillingham Tier 2
- □ Phonics First Instruction Tier 1 for Kindergarten & 1st Grade
- Quality teaching practices implemented school-wide with a focus on ACL -Assessment Capable Learners

Parkview Elementary

Goal #1: Parkview Elementary will improve building MAP scores. The percentages will increase by 3% in the top two levels and decrease by 3% in the bottom two levels for each subject tested.

- Analyze assessment data: MAP, Leveled Reading Assessment, common assessments
- Data-based decision-making
- Departmental and grade-level collaboration
- Math Fluency Games and Number Sense Routines played weekly K-4

Goal #2: A minimum of 80% of Parkview students will be reading on grade level or above.

- Well-articulated, aligned curriculum.
- Identified priority standards in ELA.
- Quality teaching practices are implemented school-wide with a focus on assessment-capable learners.
- Daily Guided Reading Groups
- Response to Intervention (RTI) is provided to all students as a second layer of reading intervention. Second layer interventions: comprehension, fluency, phonemic awareness, phonological awareness
- Grade-level data team meetings to analyze rates of improvement in student reading scores including AimsWeb, Leveled Reading Assessments, running records, and formative assessments.
- After-school tutoring
- Students reading below level are progress monitored every two weeks
- Orton Gillingham implemented with the most struggling learners.

Professional Development Plan Skyline Elementary

Goal #1: Skyline Elementary will increase the Building Total MPI from "Approaching" to "On Track" in both Math and Communication Arts.

- Use MAP Item Analysis to determine areas of strength and growth
- Write common assessments that are standard-based and reflect the rigor and format of the MAP.
- Align district priority standards with the new MSIP 6 standards.
- Revise Units of Instruction as needed to align with the MSIP 6 standards and give students multiple opportunities to interact with the standards
- Administer the MAP Practice test to prepare students for the format and types of questions they will encounter on the test
- Analyze the assessment data in grade-level teams and use the information to guide instruction and re-teaching
- Provide Tier 2 instruction for re-teaching priority standards

Goal #2: A minimum of 80% of Skyline students will be reading on grade level or above as measured by AIMSWeb.

- Design and implement the well-articulated, aligned curriculum including the priority standards identified by our district and state.
- Quality teaching practices will be implemented school-wide with a focus on assessment-capable learners.
- Response to Intervention (RTI) will be provided to all students as a second layer of reading intervention. Second layer interventions include: comprehension, fluency, phonemic awareness, phonological awareness.
- Guided reading groups will be implemented daily with a focus on connecting skills to decodable texts.
- Phonics First strategies will be taught in whole/small groups.
- Small groups with a strategy focus will be implemented in 3rd and 4th grades.
- Weekly grade-level data team meetings will allow teachers to analyze rates of improvement in student reading scores including AimsWeb, analysis of running records, and formative assessments.
- After-school tutoring will be provided.
- Students reading below grade level will be progress monitored every two weeks.

Washington Elementary

Goal #1: MAP scores will increase by 3% in the proficient and advanced levels for students as measured by the MAP test.

- □ Analyze assessment data: MAP, AIMSWEB, unit assessments, DRA, DRC
- Data-based decision-making
- Departmental and grade-level collaboration
- □ MAP analysis for strengths/growths (set goals)
- Students in 3rd and 4th grade will take the DRC

Goal #2: At least 80% of Washington students will be reading on grade level or above as measured by Leveled Reading Assessment (LRA).

- U Well-articulated, aligned curriculum.
- □ Identified priority standards in ELA.
- Quality teaching practices are implemented school-wide with a focus on assessment-capable learners.
- Response to Intervention (RTI) is provided to all students as a second layer of reading intervention. Second layer interventions: comprehension, fluency, phonemic awareness, phonological awareness
- Tutoring-after school
- Orton Gillingham-Tier 2
- Quality Teaching Practices are implemented school wide (focus on assessment capable learners)
- Dependence of the second secon

Sedalia Middle School

Goal #1: Sedalia Middle School will improve building MAP scores. The percentages will increase by 3% in the top two levels and decrease by 3% in the bottom two levels for each subject area tested.

- Analyze assessment data: MAP, AIMSWEB, common assessments
- Data-based decision-making
- Departmental and grade-level collaboration

Goal #2: A minimum of 80% of Sedalia Middle School students will be reading on grade level or above.

- U Well-articulated, aligned curriculum.
- □ Identified priority standards in ELA.
- Quality teaching practices are implemented school-wide with a focus on assessment-capable learners.
- Response to Intervention (RTI) is provided to all students as a second layer of reading intervention. Second layer interventions: comprehension, fluency, phonemic awareness, phonological awareness

Smith-Cotton Junior High School

Goal #1: Smith-Cotton Junior High will improve building MAP scores. The percentages will increase by 3% in the top two levels and decrease by 3% in the bottom two levels for each subject area tested.

- Analyze assessment data: MAP, Assessments, Study Island, Benchmarks, CFA's
- Departmental and grade-level collaboration
- A well-articulated, aligned curriculum

Goal #2: One hundred percent of SCJH teachers will implement a curriculum that promotes cooperative learning and critical thinking with the use of technology to increase student engagement and success.

- Identified priority standards for each content area
- Attend ongoing professional development that supports blended learning
- Departmental and grade-level collaboration

Professional Development Plan Smith-Cotton High School

Goal #1: Smith-Cotton High School will improve building EOC scores. The percentages will increase by 3% in the top two levels and decrease by 3% in the bottom two levels for each subject area tested.

Action Steps:

- 1. All departments have begun analyzing both formative and summative assessments and are working to make changes so they better reflect the style of new EOC tests.
 - a. English making changes to question stems that mimic EOC and rewriting for deeper DOK. Administering EOC practice test in early spring and reteaching on any standards of concern.
 - b. Science writing two- and three-dimensional questions for unit quizzes and tests
 - c. Math working with the department chair to review pacing guides for standards "holes" or "gaps." Creating EOC prep tests on Mastery Connect.
 - d. Government Also evaluating curriculum for "holes/gaps" as it relates to the new standards. Assessment data will be delayed with not completing the academic year and not having cut scores from DESE.
- 2. All teachers are receiving training on how to write clear and meaningful "I can..." statements in student-friendly language derived from the learning standards with the purpose of moving students towards evaluating their own learning.

Goal #2: Students will be college and career ready upon graduation by aligning curriculum, lesson planning, building standards, and assessment to state standards. Administration will use ACT/WorkKeys scores, building surveys, assessment evaluations, and staff conversations to evaluate goal achievement

Action Steps:

- 1. PD training sessions will focus on "blending learning". This approach will help/advise new/veteran staff to increase knowledge on creating a learning environment that can be technology rich but also not forgetting traditional teaching methods.
- 2. Curriculum maintenance will continue for core areas. Curriculum work within electives will continue.
- 3. Hold two six-week ACT Workout Wednesdays for all students.
- 4. Provide a two-day ACT workshop for all juniors participating in spring ACT testing seated or virtual depending upon the academic year.
- 5. Maintain an Academic Honors Hall for students who meet set academic standards.
- 6. Smith-Cotton administration/counselors/staff will provide opportunities for students to connect with both secondary institutions and career pathways within our region.
- 7. Smith-Cotton will seek to assist staff with assessment writing through Mastery Connect and other professionals.

27

Professional Development Plan Whittier Alternative High School

Goal #1: WAHS will help reduce the dropout rate by HH1%.

- □ Whittier Alternative High School provides night school as an alternative learning environment for students who have unique needs that do not allow for a traditional school-day timeframe.
- **L** Extra tutoring is provided before school from 8 to 9 a.m. for students.
- Whittier Alternative High School works diligently to seek and maintain positive and productive partnership within the community. These partnerships provide unique learning opportunities for students, mentoring, and the outlet needed for students to give back to the community as well.

Goal #2: The staff of Whittier Alternative High School will help to increase the graduation rate to a minimum of 91%. We will do this by encouraging the teaching staff to actively seek new methods and techniques of teaching to increase student involvement at school.

- Collaboration among staff continues regularly as they explore methods to help students achieve success. This often includes collaborative efforts for emotional support and survival skills in addition to academic achievement.
- □ The teaching staff actively participates in the professional development as provided by the district and building administration.
- Project-based learning and service learning opportunities are embedded frequently in the curriculum at Whittier Alternative High School.
- □ ACT WorkKeys curriculum will continue to be implemented and a focus to help provide students with greater opportunities in the workplace following graduation.

Appendix A

High Quality Professional Development Standards - https://learningforward.org/

Standards for Professional Learning

Standards for Professional Learning outline the characteristics of professional learning that leads to effective teaching practices, supportive leadership, and improved student results. Learning Forward is the only association focused solely on the most critical lever in improving schools - building the knowledge and skills of educators. Through the Standards for Professional Learning, Learning Forward leads the field in understanding what links professional learning to improved student achievement. We assist classroom, school, and system leaders in solving their toughest problems of practice. Learning Forward members experience practical learning opportunities, receive timely publications, and connect to like-minded educators from around the world.

STANDARDS FOR PROFESSIONAL LEARNING								
Professional learning that increases educator effectiveness and results for all students	LEARNING COMMUNITIES: Professional learning that increases educator effectiveness and results for all students occurs within learning communities committed to continuous improvement, collective responsibility, and goal alignment.	LEADERSHIP: Professional learning that increases educator effectiveness and results for all students requires skillful leaders who develop capacity, advocate, and create support systems for professional learning.	RESOURCES: Professional learning that increases educator effectiveness and results for all students requires prioritizing, monitoring, and coordinating resources for educator learning.					
DATA: Professional learning that increases educator effectiveness and results for all students uses a variety of sources and types of student, educator, and system data to plan, assess, and evaluate professional learning.	LEARNING DESIGNS: Professional learning that increases educator effectiveness and results for all students integrates theories, research, and models of human learning to achieve its intended outcomes.	IMPLEMENTATION: Professional learning that increases educator effectiveness and results for all students applies research on change and sustains support for implementation of professional learning for long-term change.	OUTCOMES: Professional learning that increases educator effectiveness and results for all students aligns its outcomes with educator performance and student curriculum gula standards.					

Four prerequisites for effective professional learning:

- 1) Educators' commitment to students, all students, is the foundation of effective professional learning.
- 2) Each educator involved in professional learning comes to the experience ready to learn.
- Because there are disparate experience levels and use of practice among educators, professional learning can foster collaborative inquiry and learning that enhances individual and collective performance.
- 4) Like all learners, educators learn in different ways and at different rates.

Appendix B - Virtual Learning Platform/MoEdu-SAIL

All Sedalia #200 certified staff members will use the Web Applications tool on the DESE website to join the Virtual Learning Platform. This platform will provide additional PD modules that teachers can access at any time to support quality teaching practices in the classroom. Additionally, the MoEdu-SAIL website will also provide virtual professional development for certified staff.

MISSOURI VIRTUAL LEARNING PLATFORM

PROFESSIONAL DEVELOPMENT MATERIALS

Professional development materials are available for each element of the framework. As of May 2017, the DESE is developing a virtual learning platform as a resource for guiding educators through the elements of the framework.

The Virtual Learning Platform is an online portal that will provide Department endorsed, evidence-based training. This training will be available to teachers and school administrators through the Department's Web Application Portal and include space for user collaboration, pre/post assessment, handouts, worksheets, bookmarking of courses in progress, and other materials required for training. Users authorized through DESE's Web Application single sign-on system will have access to collaborative learning cohorts and will have the ability to bookmark their place in learning packages in process. The system can be accessed at any time and may be used as a reference for users once the course(s) are complete.

THE ONLINE RESOURCES/MATERIALS ARE ARRANGED AROUND FIVE KEY ELEMENTS:

Appendix C - Missouri Professional Guidelines for Student Success

Pedagogy to support the Missouri Learning Standards will not look like transmission teaching-we transmit and they receive-but will look like students engaged and grappling with complexity. Assignments should include evidence of students' thinking at progressively deeper levels. Teachers will need to think about a constructivist approach to teaching and learning.

- → Know where you are going, why you are going there, and how will you know when you get there clear goals for learning and a plan for assessment
- → A primary emphasis on a hands-on, problem-centered approach in which the learners are actively involved
- → Class discussions designed to make a connection between activities and the underlying conceptual knowledge (cues, questions, and advanced organizers will be applicable)
- → Projects built around thematic units or the intersection of topics from two or more disciplines
- → Concept mapping and non-linguistic/graphical representation will help students show depth of knowledge reached
- → Experiments and research projects in which findings are presented and debated with the class as a whole
- → Field trips that allow students to put the concepts and ideas discussed in class in a real-world context
- → Questions and approaches that require inquiry, problem solving, and the synthesizing of ideas
- → Provide learning opportunities that ensure that all students actively participate utilize cooperative learning, reciprocal teaching, etc.
- → Adapt materials to accommodate students with special needs
- → Model exemplars and provide real-life and work applications of what students should know and be able to do
- → Formative assessment for learning and feedback
- → Early interventions for struggling learners

Appendix D - Survey Data

The process for professional development surveys changed with the Missouri Model District framework starting in 2017, evaluating quality teaching practices. Surveys from this point forward will be taken each fall and spring to monitor effectiveness and progress of professional development within the Missouri Model District framework.
