

SMITH-COTTON HIGH SCHOOL

# DROP OFF/PICK UP DIRECTIONS

SCHS Parents,

We look forward to having students back on campus August 30th. To ensure a smooth first morning, we wanted to remind everyone of our dropoff and pickup procedures for car riders. **ALL** drop offs/pickups will be done in the **south lot**. Car riders will not be able to enter on Tiger Pride Ave. The only access available to the south lot will be from Sacajawea Ave. Vehicles will enter and continue movement in a counterclockwise direction. (See Map)

If the line of vehicles becomes too long to continue in a fluid manner, Lane's A, B, or C may be used to fill in (see blue lines). All traffic will be expected to move in the counterclockwise motion depicted on the map. School security will be posted in the south lot to assist with traffic. Please follow their directions.
