

TREC Device Insurance

- Students/families will be responsible for protecting their assigned device from loss or damage.
- Sedalia School District 200 will offer an optional annual insurance fee of \$25.00 (\$15.00 for students in the reduced lunch program, \$10.00 for students in the free lunch program). Failure to purchase this insurance will result in complete financial obligation for lost, stolen, or damaged devices (\$275).
- If you have purchased the optional annual insurance and an accident or loss should occur, the school district will waive your responsibility for the financial loss subject to a deductible as outlined below.

<u>Incident</u>	<u>Deductible</u>
1st occurrence	Free (accidents happen)
2nd occurrence	\$50
3rd occurrence	\$100

There are two ways to purchase device insurance for your child:

1. **Pay in-person in the counseling office** (you can print the form on the following page).
2. **Pay online using RevTrak.** To access RevTrak:
 - a. Go to sedalia200.org
 - b. Scroll down and click on the Online Payments button
 - c. Create a new account or log in with a current one
 - d. Click Chromebook Policy and Payments

SSD #200 Chromebook Insurance Form

Students will be responsible for protecting their assigned device from loss or damage. If an accident or loss should occur, school district will waive your responsibility for the financial loss subject to a deductible as outlined below. In exchange for this damage waiver, SSD requires an annual fee of \$25.00 (\$15.00 for students in the reduced lunch program, \$10.00 for students in the free lunch program).

The Chromebook Insurance program only covers the Chromebook. It does not cover replacement of the Chromebook charging adapter or cable.

Certain conditions not covered by this damage waiver include: 1) any dishonest, fraudulent, malicious or criminal acts, 2) any loss to software, data, documents, music, videos, recordings or other personal information that had been placed on the device, 3) additional loss caused by the failure to use all reasonable means to protect the device after it has been damaged, 4) disappearance of the device not reported to local law enforcement, and 5) any use not in accordance with District policies and procedures.
