

Aqua Team's March Newsletter

Spring is almost here! We are kicking off March with Dr. Seuss week. We will be sorting and patterning with colored fish, making Cat in the Hat hats, doing a green egg science experiment, and trying real green eggs and ham! We will be reading Dr. Seuss books each day, so ask your child what story is their favorite. Attached is the dress up days we will be doing to celebrate Dr. Seuss week.

We will be discussing St. Patrick's Day and building a leprechaun trap. We hope we catch him this year!

As the weather gets warmer, we will be going outside to play when we can. Please send your child in coats and hats appropriate for the day's weather.
