

Aqua Team September Newsletter

Copyright © Ghud Tsankov * www.HitToon.com/1116144

This school year if you would rather view your child's newsletter on line instead of receiving a paper copy you may do so by going to the Sedalia 200 web site. I will also be working on sharing them through the Remind app.. If you need a newsletter in paper form please let me know.

Small Group

This week we learned how to be safe, kind and responsible at school. We explored the playground , and learned about all the fun things in the gym. Next week, we will be doing many learning activities that will help the children learn more about animals that live on the farm.

Important dates

October 4– Farm Field trip
October 11– Grand friend's Day
October 24-25- Parent Teacher Conference

Thank you for everyone that attended our Open House! I am using the Remind app to help better keep you informed about important dates, and activities . I am also going to be sending pictures of your child to you. I am very excited about this. If you are unable to receive text messages please let me know.
