**Water Day**

Weather permitting we like to end our year with a fun day in the sun. Water day activities include a bike wash, sprinklers, kid pools, bubbles, and so much more! Please apply sunblock before school. Send an extra set of clothes and towel with your child's name. Swimsuits can be worn under clothes or as shorts with a shirt.

**Graduation Announcement!**

Graduation practice prepares our students for the real ceremony. Please have your child at school on time so they can take part in our practice as well as the real graduation. All students participate during the graduation ceremony but only students that are going to kindergarten will be in gowns and receive their certificate of completion. We do not serve meals on this day, please feed your child before school. This is the last day of school; students are welcome to leave following the graduation ceremony.
